HOW TO TRANSFER A TICKET ONLINE IN 5 EASY STEPS!

Transferring unused tickets to family and friends is now easier than ever. Eliminate the need to meet face-to-face or stand in will call lines before the event to drop off or pick up extra tickets. Simply access your account online and transfer your ticket to someone else. The recipient then gets an email notifying them of the transfer, instantly receives the tickets and prints the tickets on demand. It's that easy!
